Private Parties

The restaurant is an ideal setting and it can be hired exclusively for weddings or private parties or just one room could be yours. We would be delighted to discuss menu options, for lunch or for dinner, to meet your particular requirements.

Outside Catering

We are also becoming popular in outside catering from small to large weddings to special birthday celebrations

VOUCHERS

If you are finding it difficult to come up with an original present for that difficult friend or family member consider the pleasure you could give that special someone with the gift of one of our vouchers. It can be redeemed at their convenience for lunch or dinner.

Just decide how much you would like to spend and we will enter it on a personalized voucher card and even post it for you.

CATERING MADE EASY

Do you recognize the feeling of too many outstanding return invitations and not enough hours in the day to contemplate a leisurely gathering of friends, or indeed, a dinner party for business associates, or a birthday party for any member of the family no matter what age?

Fear Not! All is not lost!

We will help you to create an evening full of compliments with minimal effort. Sit back and allow a Michelin starred chef to cater to your whim and enthral your guests with superb creativity.

We are equally happy providing platters of sandwiches, to cold buffet dishes, to three course meals, to desserts or just our homemade ice creams.

If your favourite dish is not listed, please let us know as the list is by no means exhaustive and everything is homemade using fresh ingredients.

We are here to help you have a lovely meal.
